Annual Benefit • July 25, 2026

An MDI Hospital Tradition

Each summer, MDI Hospital brings together friends and community members to celebrate the lifesaving impact made possible by donor support. Since 2015, these gatherings have raised more than \$2.5 million to advance our mission of improving the health and well-being of the MDI community. We're delighted to share that this year's Annual Benefit will take place on Saturday, July 25, at the Pot & Kettle Club in Halls Cove.

As a corporate sponsor of this signature event, your business will gain valuable exposure to our wide network of patients, donors, and supporters throughout Maine, New England, and beyond. Even more importantly, your sponsorship helps carry forward a legacy of generosity and supports a healthier, stronger community.

For Donna Wiegler of Swan’s Island—six miles offshore, where a medical emergency can mean waiting until the first morning ferry—a diagnosis of stage IV ovarian cancer in 2016 marked the beginning of an extraordinary journey. In the years since, she has endured more than 30 hospitalizations, faced countless challenges with courage, and continues to defy the odds every day. Told by doctors at Dana Farber that she had just five years to live, she recently celebrated her ninth cancer anniversary. She credits much of that milestone to the care she received — and continues to receive — at MDI Hospital.

“People ask why I keep coming back,” Donna says. “It’s because MDI Hospital feels like home.”

Mount Desert
Island Hospital

“I believe the care I received, and still receive at MDI Hospital, is a big part of why I’m still here.”

-Donna Wiegler

Because of donor support, MDI Hospital remains a beacon of hope for Donna — and for many others whose lives depend on excellent care, no matter how far they may live from Mount Desert Island.
