

 MDIHealth
2026 IMPACT REPORT
The Future of Care Starts Here

Together, We Are Building What Comes Next

A message from our President/CEO

“Over the past year, MDI Hospital, our Health Centers, and Birch Bay Village have continued to grow, evolve, and invest in the future of healthcare for our region.”

As I reflect on the past year, I am filled with gratitude for this community and all that we have accomplished together.

Over the past year, MDI Hospital, our Health Centers, and Birch Bay Village have continued to grow, evolve, and invest in the future of healthcare for our region. Construction has steadily transformed our Bar Harbor campus, bringing us closer to a modern Emergency Department, and a more welcoming, accessible entrance. We have expanded programs that improve access to care, strengthened our commitment to educating the next generation of healthcare professionals, and continued to earn regional and national recognition for the exceptional quality, compassion, and dedication of our team.

Those efforts have been recognized in meaningful ways. This year, MDI Hospital was once again named one of the Best Places to Work in Maine and was recognized by CMS with 5-star ratings in Nurse Communication and Patient Recommendations. We also made tremendous progress toward our \$55 million Building Our Future Campaign, bringing our community's vision for the future of healthcare ever closer to reality.

Years of intentional growth and planning came together this year with the launch of MDI Health. As we entered a new fiscal year, our unified brand became a visible reflection of the connected system of care we have built, bringing together our hospital, Health Centers, and Birch Bay Village under one shared vision for the future.

At a time when rural hospitals across the country continue to face extraordinary challenges, your generosity, partnership, and belief in our mission allow us not only to meet today's needs but to build for tomorrow. Every milestone this past year was made possible by the support of this remarkable community.

Thank you for your trust, your generosity, and for believing in the future of MDI Health. It is an honor to serve you, and we look forward to continuing this journey together.

A Strong Foundation for Generations to Come

A message from our Board Chair

As I conclude my term as Chair of the MDI Health Board of Trustees, I do so with profound gratitude for the opportunity to serve our remarkable community and the institution that has cared for it for nearly 130 years. Throughout its history, MDI Health has been sustained by generations of individuals who believed exceptional healthcare should be available close to home. Their vision continues to shape our mission today and inspire our future.

Healthcare is changing rapidly, and the challenges confronting independent rural hospitals continue to grow. Yet one enduring truth remains unchanged: our community's steadfast commitment to one another. That spirit of generosity, resilience, and shared purpose has always been the foundation of MDI Health, and it will continue to guide the organization in the years ahead.

Over the past year, MDI Health reached significant milestones that strengthen our future. Through the Building Our Future initiative, our campus continues to evolve with facilities designed to serve generations to come. We expanded programs and services to meet our region's changing needs and introduced a unified MDI Health brand that reflects who we are and where we are headed together.

Serving as a Trustee, and especially as Board Chair, has afforded me the privilege of witnessing the extraordinary dedication that defines this organization. Every day, our caregivers, employees, physicians, leadership team, volunteers, donors, and community partners demonstrate an unwavering commitment to excellence and

compassion. Their collective efforts embody the very best of MDI Health and reaffirm the values upon which this institution was founded.

I am equally grateful to my fellow Trustees. Their wisdom, integrity, thoughtful deliberation, courage and steadfast commitment to responsible governance have guided MDI Health through both opportunity and challenge, always with the long-term well-being of our community as the guiding priority.

To serve as Board Chair has been one of the greatest honors of my professional life. I leave this role with deep appreciation for the trust that has been placed in me

and with complete confidence in MDI Health's future. I look forward to continuing my service as a member of the Board of Trustees and supporting the new Board Chair, Madeline Braun, PhD.

Thank you for your trust, your partnership, and your enduring commitment to local, independent healthcare. Together, we will continue to strengthen a system of care that remains close to home, responsive to the needs of our community, and grounded in compassion and excellence. With a strong foundation, dedicated leadership, and an engaged community, MDI Health is well positioned to meet the challenges ahead and to expand its impact for generations to come. It has been a privilege to serve.

With immense gratitude,

Martha T. Wagner, PhD

Interior framing, sheetrock, and painting continues at the main entrance, keeping our crews ahead of schedule.

APRIL 2026

Campaign Reaches 100% of Original Funding Goal

The Building Our Future Campaign achieves its initial fundraising goal through extraordinary community generosity. Stretch goals continue as planning around bricks and benches and community involvement in the project move forward.

MAY 2026

MDI Health Unified Brand Launches

Following two years of planning, MDI Health officially launches as the unified brand connecting the hospital, Health Centers, Birch Bay Village, and community services under one identity.

EMPLOYEE
OF THE YEAR

Beth Applebee
MDI Health

Working in the Emergency Department (ED) requires adaptability, teamwork, and the ability to remain calm during some of the most stressful moments patients and families experience. Every shift brings uncertainty, and ED team members must be prepared to respond quickly while providing compassionate, patient-centered care.

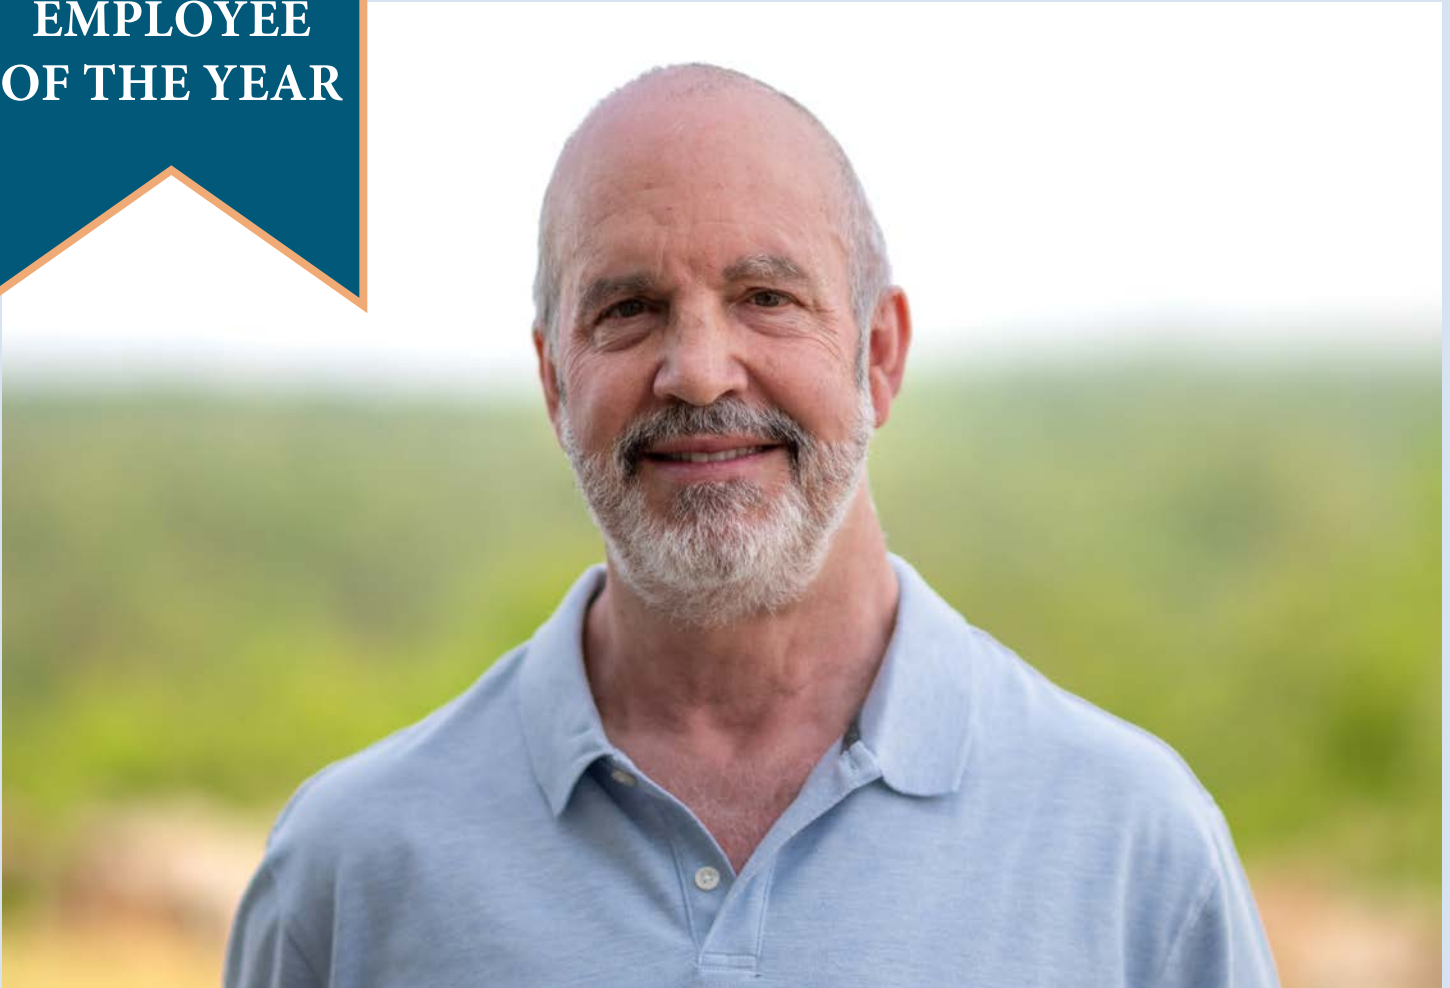

Beth exemplifies these qualities. Her colleagues describe her as hardworking, knowledgeable, patient, and incredibly dependable. Whether assisting during a complex procedure, supporting a new team member, helping a patient feel more at ease, or stepping in wherever she is needed, Beth consistently brings professionalism, compassion, and a positive presence to MDI Hospital's Emergency Department.

Beyond her clinical skills, Beth's greatest impact comes from the way she cares for others. She treats every patient and family member with dignity and respect, offering reassurance and kindness during vulnerable moments. Her colleagues stress, she is a trusted teammate who strengthens the organization's culture of collaboration and support.

Beth's recognition as Employee of the Year reflects not only her exceptional contributions to the Emergency Department, but also the lasting impact she has on patients, families, and colleagues throughout MDI Health.

**EMPLOYEE
OF THE YEAR**

Marc Woolfolk
Birch Bay Village

As a Life Enrichment Assistant, Marc excels in creating meaningful connections with residents by taking the time to learn who they are, what brings them joy, and what helps them feel valued and connected. Whether he is leading an activity, sharing music and art, baking with residents, practicing Tai Chi, providing transportation, or simply sitting with someone who needs companionship, Marc creates moments that make a lasting difference.

His colleagues shared countless examples of Marc's compassion in action, including the way he notices when someone is struggling and takes the time to offer comfort, encouragement, or simply his presence. Families have expressed their appreciation for the trust and confidence they feel, knowing their loved ones are cared for by someone who truly sees and understands them.

Marc supports programs across Birch Bay Village, assists coworkers, and approaches every task with a willingness to help and a positive attitude. His colleagues know they can count on him, not only for his reliability, but also for the kindness and encouragement he brings to the team.

Marc's recognition as Employee of the Year reflects the profound impact he has on residents, families, and staff. Through his compassion, integrity, and commitment to service, he helps create a warm and welcoming community that makes Birch Bay Village such a special place.

VOLUNTEER
OF THE YEAR

Nancy D'Agostino
MDI Health

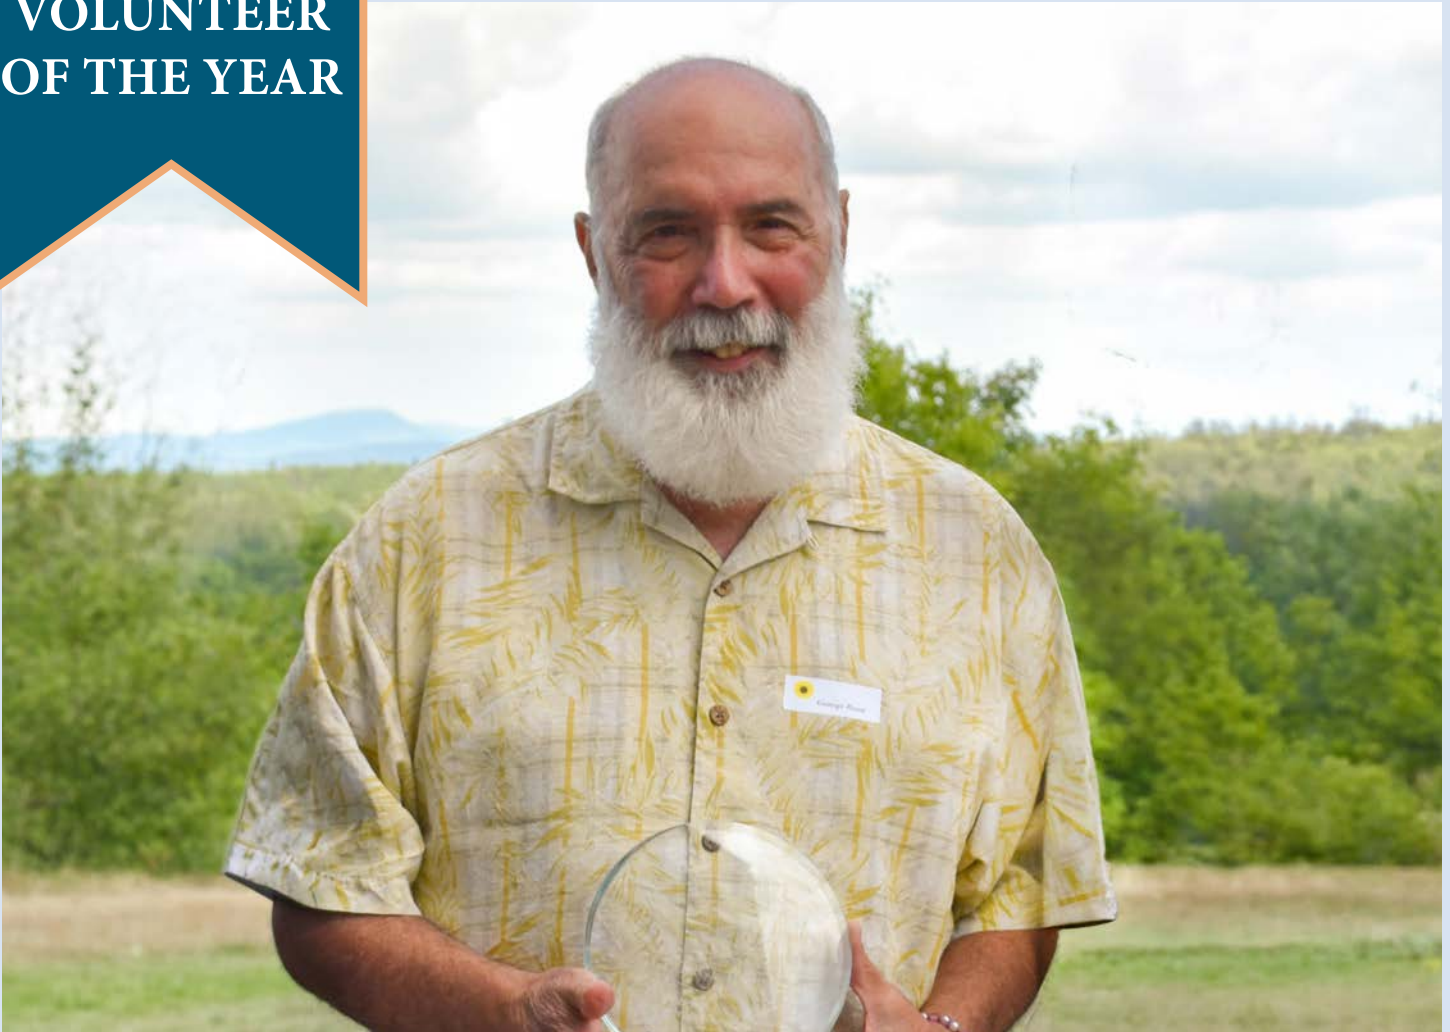

For over 17 years, Nancy D'Agostino has been a familiar and welcoming face at MDI Hospital and a cherished member of the community she has called home her entire life. Born and raised in Bar Harbor, Nancy has dedicated her time to supporting patients, families, and staff throughout the Emergency Department. Her kindness and compassion have made her a calming presence during some of life's most challenging moments, helping patients and their loved ones feel welcomed and cared for when they need it most.

Nancy's impact extends beyond her work with patients and families. She has served as a mentor and trusted resource to many of our new volunteers, generously sharing her experience and helping others find their place within our organization. Her steady presence, warmth, and commitment have made her an essential part of the patient experience and a valued member of the MDI Health team.

Nancy represents the dedication, kindness, and compassion at the heart of volunteer service. We are proud to recognize Nancy D'Agostino as the MDI Health Volunteer of the Year.

VOLUNTEER
OF THE YEAR

George Rossi
Birch Bay Village

For nearly a decade, George Rossi has been far more than a volunteer, he has become a deeply valued and cherished member of the Birch Bay Village family. Over the past nine and a half years, George has generously contributed more than 700 hours of his time, bringing joy, comfort, and music to residents and staff alike. Week after week, rain or shine, he arrives ready to share his talents and give residents a comforting sense of routine and something to look forward to.

George's impact goes far beyond music. He takes the time to learn and play songs that are meaningful to individual residents, making each performance personal and special. His patience, kindness, and empathy allow him to connect in a profound way with residents in memory care, using music to reach those living with dementia and help them feel seen and valued. During the COVID-19 pandemic, he continued providing music for smaller, isolated groups so residents could still experience connection and comfort.

George embodies the very best of volunteer service. His more than 700 hours of music, kindness, and dedication have made an immeasurable difference in the lives of Birch Bay residents and staff. We are proud to recognize George Rossi as the 2026 Birch Bay Village Volunteer of the Year.

2026 IMPACT AWARD

Mount Desert Nursing Association

MDI Health is proud to recognize Mount Desert Nursing Association (MDNA) as the recipient of its 2026 Community Partner of the Year Award in recognition of its longstanding partnership and unwavering commitment to caring for the communities of Mount Desert Island.

Founded in 1949, MDNA is the island's only dedicated home health agency, providing skilled nursing, rehabilitation therapies, and home health aide services to patients throughout Mount Desert Island, Trenton, and Lamoine. Working closely with MDI Health, MDNA helps ensure patients experience a safe, seamless transition from hospital to home while receiving the care they need to recover and remain independent.

"MDNA has been an extraordinary partner of ours for decades," said MDI Health President and CEO Chrissi Maguire. "Their compassionate team extends the care we provide beyond our hospital walls, helping patients heal at home while strengthening the health of our entire community."

The partnership extends beyond direct patient care. Together, MDI Health and MDNA co-host annual community flu clinics, offer free blood pressure screenings, and collaborate on the Hendricks Family Nursing Advancement Scholarship, supporting the next generation of local nurses.

Through decades of collaboration and a shared commitment to improving community health and patient outcomes, MDNA has become an indispensable partner to MDI Health and a deserving recipient of this year's Community Partner of the Year Award.

1897 SOCIETY

Named for the year MDI Hospital was conceived, the 1897 Society was established to preserve the legacy of this island hospital. The 1897 Society honors those who have included MDI Health in their estate plans. Their gifts secure a bright and healthy future for generations to come and ensure that there will always be a first-class medical facility on MDI.

Nursing Excellence Awards

Congratulations to Ellen Dacorte, RN, BSN, CBC; Angélica Kim, RN; and Jennifer Leonard, RN, BSN, the recipients of the 2026 Ursula E.J. Lee and Dr. Leung Lee Memorial Award for Nursing Excellence.

These extraordinary nurses exemplify the very best of MDI Health through their compassion, leadership, clinical excellence, and unwavering commitment to patient care. Each of them brings something truly special to our organization, whether it's providing comfort and reassurance during life's most vulnerable moments, mentoring and supporting fellow staff members, advocating fiercely for patients, or stepping forward to improve the experience of care for everyone around them.

Nominated by their peers, each nomination was touching, thoughtful, and personal; a testament to their dedication to patients and colleagues alike. Ellen Dacorte's warmth, dedication, and passion for women's health at the Lisa Stewart Women's Health Center have made a profound impact on countless patients and colleagues alike. Angélica

Kim's kindness, integrity, teamwork, and commitment to excellence in Med Surg consistently strengthen both her unit and the community she serves. Jennifer Leonard's decades of experience, clinical expertise, and compassionate leadership continue to inspire those around her at Cadillac Family Practice and set the standard for exceptional nursing care.

We are incredibly grateful for the compassion, professionalism, and heart these nurses bring to MDI Health each and every day. Congratulations, Ellen, Angélica, and Jennifer, on this well-deserved recognition!

Established in 2019 by Dr. Leung Lee in memory of his wife, the Ursula E.J. Lee & Dr. Leung Lee Memorial Award for Nursing Excellence honors the compassionate, loving care Ursula received from her nurses at MDI Health. The award is given to four nurses each year who demonstrate clinical excellence and a commitment to compassionate care in their nursing practice.

Mission Statement

To provide compassionate care and strengthen the health of our community by embracing tomorrow's methods and respecting time-honored values.

Vision Statement

To be our community's medical home by pursuing innovative models throughout the continuum of care. Our integrated system will be the standard by which others are measured.
